Full title: Comparative-historical and typological studies of languages and cultures (XXV Dulzon’s Readings)
Date: 26 – 28 June, 2008
Location: Tomsk, Russia
Contact persons: Olga A. Ossipova, Andrey Filchenko
Conference e-mail: siblang@tspu.edu.ru
Conference website: www.tspu.edu.ru/siblang
Linguistic Fields: General Linguistics, Areal Linguistics, Typology, Language Documentation
Call Deadline: 30 November, 2007

Meeting description:

Traditionally the theme of the biannual international conferences “Dulzon’s Readings” covers various aspects of general linguistics, general typology, issues of linguistic, anthropological and archeological studies of minorities in Russia and worldwide, bringing into focus studies of languages and cultures of the Siberian aboriginal population: synchronic and diachronic views, in general typological as well as in areal perspectives. The theme of the conference also centers on sociolinguistic studies of minor peoples, language documentation, preservation and teaching national/minority languages.

Within this conference three “Round Tables” will also be held:

- Time and Space in the languages and cultures of Russia;
- Documentation of endangered languages and cultures;
- Ethnic education.

Official languages: Russian, English, German

Abstract requirements:

Anonymous abstracts in Russian, English or German are to be submitted to the Programme Committee at siblang@tspu.edu.ru and should not exceed two pages including examples and references. The text of the abstract should be submitted as an attachment following these guidelines:

- Attach two files (.RTF AND PDF) named by the author’s last name.

- Format the body of the text and the list of references: Microsoft Word, Times New Roman, 14, line spacing 1, justified, paragraph break 1 cm, margins – all 2.5 cm.
- Citations in text to be noted in square brackets, as follows [Comrie 1981: 54].
- The fonts used in text should be sent as separate attachments.
- References should be listed alphabetically at the end of the text.

Example:

RELATIVE CLAUSES IN NENETS	
N. McCool	
<i>Tomsk State Pedagogical University</i>	
Text	References
	1. Givon T. 2001. <i>Syntax</i> . Amsterdam/Philadelphia: John Benjamins.
	2. Keenan E., Comrie B. 1979. 'Data on the Noun Phrase Accessibility Hierarchy.' <i>Language</i> 55.2: 333-351.

Accepted abstracts will be published for the conference.

The registration fee is 400 RUB.

IMPORTANT DATES:

Deadline for submitting abstracts: 30 December, 2007

Notification of acceptance: 15 January, 2008

Date of the conference: 26-28 June, 2008
